

PAVELAS BULATOVAS

Web Developer

SUMMARY

Enthusiastic individual with a background in Business Analysis and a strong passion for Web Development. Seeking a Web Developer role to leverage skills in React, TypeScript, problem-solving, and dedication to create innovative and impactful solutions.

WORK EXPERIENCE

Software Engineer at 100devs, Los Angeles, CA

MAY 2023 — Present

- Collaborated with a team of developers to build modern and responsive web applications using best practices
- Built semantically structured web applications
- Applied agile methodologies like SCRUM for project management

Recent Projects:

Good Enough Todo – a simple and lightweight to-do list application built with HTML, CSS, and JavaScript. It allows you to manage your tasks efficiently and keep track of your daily activities.

Power Pulse Gym Website – A website which is tailored to showcase the gym's facilities, services, and offer vital information to both potential and existing members.

WitWagon - Random Joke Generator App – A simple web application that generates random jokes for your entertainment using JokeAPI.

Full Stack Web Developer at Pavelas's Development | Vilnius, Lithuania

June 2023 — Present
